Dear General Tixier:

Our recent Interagency Intelligence Committee on Terrorism sponsored analysts' seminar on Iranian/Syrian-sponsored terrorism on 9/10 April 1984 was a signal success. One of the principal reasons that it was so was the extremely informative presentation given by John D. Stempel, Director, Near East and South Asia Region, International Security Affairs, on 9 April. It was a pleasure to observe his poise and professionalism. Please formally thank him for all of us who benefited from his effort. (U)

Sincerely,

25X1
